

UNITED STATES BANKRUPTCY COURT
EASTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION - FLINT

In re:

Case No. 04-31353-WS

NEHME ENTERPRISES, INC.,

Chapter 7

Debtor.

Hon. Walter Shapero

ORDER TO SHOW CAUSE

There being a matter before the Court the disposition of which the Court has concluded should await the outcome of certain proceedings pending in the Michigan courts; this Court having been recently advised in respect to said matter as follows: (1) Michigan Court of Appeals case # 254393, the same being the appeal of a decision of the Genesee County Circuit Court in case no. 02-73645 NI (which apparently had been administratively closed due to the automatic stay); and (2) an appeal of a decision of a Michigan Workers Compensation Bureau hearing officer's decision, said appeal being presently pending and no longer stayed due to previous actions of this Court; the Court having reviewed the briefs of the parties and the Court being fully cognizant of the positions of the parties and of the Court itself at the close of the hearing; it appearing to this Court that it might be more appropriate and consistent, given the relationship between the said two matters and the matter before this Court, and the appropriateness of reducing or eliminating the possibility of various courts coming to inconsistent results, that both of those state court matters be allowed to go forward to decision prior to this Court disposing of the matter before it; Now therefore, the parties hereto shall show cause why this Court, to the extent still necessary to achieve the foregoing, should not lift the automatic stay in connection

with said matters to allow them to run their legal course, on the following conditions, (1) that the parties to this action report any disposition in the Michigan Court of Appeals case and the Michigan Worker's Compensation Bureau appeal and, (2) that regardless of any disposition, that the parties to this case submit a report on the status of the Michigan Court of Appeal's case and the Michigan Worker's Compensation Bureau appeal every three months, commencing December 1, 2006; said show cause hearing shall be held at 9:00 a.m. on Thursday the 28st day of September, 2006, before the Court on the **10th Floor of the Theodore Levin Federal Courthouse, 231 W. Lafayette Blvd., Detroit, Michigan.**
